### **TERMS OF REFERENCE**

**INTRODUCTION:** Amafa AkwaZulu Natali is the provincial heritage agency appointed in terms of the KZN Heritage Act. It is responsible for, inter alia, maintaining the database of Public Memorials and Statues.

Amafa is embarking on a program of updating its databases. As part of this program Amafa requires the detailed photographic recording of Public Memorials and Statues in the Mzunduzi Municipality.

As such we are inviting suitable persons to apply for a short term contract post to:

- 1. PHOTOGRAPH THE PUBLIC MEMORIALS AND STATUES IN THE MZUNDUZI MUNICIPALITY:** To provide Amafa with quality professional photographs of each memorial or statue in both hard and digital copies.
- 2. GPS COORDINATES:** To provide Amafa with a comprehensive document that includes the GPS coordinates of each memorial or statue. These coordinates must also be represented in a map format.
- 3. LIAISE WITH MZUNDUZI MUNICIPAL OFFICIALS:** As co-user of this database and managers of many of these sites the successful applicant will be required to regularly liaise with applicable municipal officials.

A detailed report, along with the database must be drafted and handed to Amafa on completion of the project.

The successful applicant will also be required to populate additional information into SAHRIS.

Amafa strives to contribute towards skills upliftment and professional development. This project is seen as an ideal vehicle for newly graduated persons to achieve this.
